Price Williams Realty
Parking Rules and Regulations
1201-1207 Lawrence Street

- Each tenant will receive their very own parking permit as well as ONE (1) guest parking pass. Parking permit stickers need to be placed on the back windshield driver's side. All guest passes should be displayed from the rear-view mirror and be clearly visible from the outside.
- If needing a replacement permit, please bring original permit sticker to leasing office and we will give a replacement. No replacement can be given without the original permit returned.
- It is the tenant's responsibility to relay all parking instructions to their guests.
- All permits/guest passes must be visibly displayed to where the towing company can see them night/day. If for some reason they cannot see your permit/guest pass (example: pass falls off dash onto floor, pass is in glove box, etc.) this will be considered a valid tow as they are unaware of there being a pass in the vehicle.
- There is to be NO cross parking. Your permit color is associated with your lot and no other Price Williams lots. If you attempt to cross park this is at your own risk of getting towed!
- All towing fines/questions can be directed to S&A Towing. Their number is 540-951-4304.
